Birutė Pugačiūtė
Last Updated Wednesday, 12 October 2011 21:15

My name is Birutė Pugačiūtė. I am sixteen years old, but soon I will be seventeen. I like dancing, playing guitar, watching movies, collecting postcards, reading books. Also I like listening to such bands as Depeche Mode, The Kills, The Knife, Bjork, Lou Reed, AC/DC and so on. I can speak Lithuanian, English and little Germany. However, this year I started learning French.
