

Hello, my name is Olivijus Bučas and I'm 15 years old. I live in Siauliai, it is not a big town, but it's very nice. I live here with my family: my dad Egidijus, my mom Jurate, and my younger sister Ema. I'm attending Stasys Salkauskis Gymnasium. I speak English quite well.

I like playing basketball, travelling a lot and hanging out with friends. My family lives in a private house. Oh, yes, I forgot to say that I have got a very nice and quiet cat in my house, too.

Okay, I'm waiting for you in my "apartments":-: )
