

By 1:30 we left our school and went to Vilnius by bus. Flight to Denmark took two hours. Then we had 5 hours freetime, so while we were wait for another light, we went shopping and played various games.

When we landed in Keflavik, on of the Icelandic teachers met us. She showed us Reykjavk city, took us to the hostel and cooked a dinner for us.

We were pleased with the welcome. Finally, with full stomachs we went to bed.
