

My name is Gvidas, I'm 15 years old and i live in the town of Šiauliai. I live with my family near the city center (it takes 10-15 minutes to go on foot to get to the center). My father is an engineer and my mother works at school, she is a teacher. I have one older brother. He is 19 years old, now he is a student. And my hobbies are: listen to music, play basketball, ride a bicycle, meet my friends and also play video games. I like to listen many kinds of music and I listen to almost everything. The sports I'm mostly interested in is basketball, football and tennis.

So i think that's all about me.
