

My name is Gyte Soblinskaite. I study at S. Salkauskis Gymnasium and I'm 16 years old. I live in Siauliai with my family. I have one brother, he is 19 years old. My parents work abroad in a ferryboat. My Mother (42 years old) is a stewardess-nurse, and my father (40 years old) is a receptionist.

Another family member is my dog schnauzer, its name is Felinis. What I can tell about myself is that I'm a very active and busy girl. On Monday, Wednesday, and Friday I spend 3 hours at the gym. I play the guitar a little bit and sing in the school choir. At the weekends I spend time with my friends, travel, go to concerts or clubs.

This summer was the best, because I went on a trip to Europe with my friends. I met a lot people from all over the world and it was amazing! :)
