

Hello, my name is Ieva and I'm 18 years old, born 17th of July. I live with my mother Ilona, father Petras and my cat Puke. I live in fourth-largest city of Lithuania, called Šiauliai. I've lived here my whole life and I like living here. My parents are working teachers. I go to the Stasys Šalkauskis high school, fourth grade. I focus on social science.

I'm scout. I like being outdoors, meeting with friends, dancing, to do something interesting. I like travelling very much. In the future I would like to help other people, I want to know about other people culture, traditions and other.
